# ABOUT US

Daily Multimedia Limited (DML) is an entertainment & a media corporate house nurtured under the guidance and leadership of Fauzia Arshi.
DML is conceptualized as a one-stop shop for clients demanding services in field of entertainment, whether it is film production or content development for television or organising events. DML has earned the credit of producing movies, television content, ad-films, documentaries, short films, running political campaign and organising events.

FA School of Media and Films, a venture of DML is one of the most extensive and innovative filmmaking institutes based in Mumbai. Being administered by a team of professional actors and directors, FASMF stands ahead in providing quality education and genuine results in the fields of Film and Media.

It is one of its kind as our team members include vast and well known faces of Bollywood from Mr. Dharmendra to Mr. Sunil Shetty to name a few.

We are a well established organization in the noble field of education since 1998, proudly associated with Qualifications and Assessments International U.K (QAI) and Creo Valley, one of the rapidly growing film schools in India and abroad.

Our successful Productions:

# Fauzia Arshi

## PROMOTER

Fauzia Arshi is among India's youngest entrepreneurs who have created a significant change in the dynamics of the corporate world.

Daily Multimedia Ltd. holds the distinction of being one of the top 5 entertainment corporate houses in India, not to mention, under the effective leadership of Fauzia Arshi.

She is a professor and the management consultant to several educational institutes and business organizations.

Also the youngest author to pen a book on 'International Marketing Management', she is a prominent singer/guitarist in the country.
